

Leadercast™ | 3 Event Bundle

Half-day event (3 hours)

Super Teams gives leaders concrete principles to develop healthy teams. The half-day time frame makes it easier for entire teams to participate and features three keynote speakers, a team-enhancing panel discussion, and three interviews with sports leaders.

- Great for team bonding
- The half-day format works great for tight schedules
- A perfect way to invest in your Super Team

90-minute event

Spark will re-ignite your leaders when they need it most--the dog days of winter. Teams get the inspiration, connection, and focus they need to fuel their resolutions into action. Spark is led by our Chief Creative Officer, Brad Wise, and the experience will provide, insight, introspection, and inner motivation to fuel the new year.

- Gain momentum for the new year
- Reignite the spark of collaboration
- Jumpstart trust and connection

Full-day event

GHOAT will feature a diverse slate of experts who will remind us what humans have known for millennia--our core habits, individually and collectively, shape how we live, work, and play together. With great intention, we can use our modern technology to reencounter proven, positive, ancient practices and habits that take us to the next level.

- Learn new habits while breaking old ones
- Find timeless ways to motivate your team and drive results
- Invest in your emerging leaders
