

Leadercast

Super Teams

Keynote Speakers

Paaras Parker

For more than twenty years, Paaras has dedicated herself to the human development aspect of business. Currently, she serves as the Chief HR Officer at Paycor. She wants to create workplaces with super teams that solve problems in diverse ways and to see the Bengals win a Super Bowl.

Chief Human Resources Officer, Paycor

Ryan Hawk

Ryan is devoted to helping others become better leaders. His podcast, The Learning Leader Show, has been recognized as one of the top five podcasts for leaders by Inc. Magazine. Ryan's passion is uncovering the secrets of successful leadership and sharing them with the world.

Host of The Learning Leader Show

Julie Bauke

Julie has been helping executives and career-focused individuals achieve their best careers for over 25 years. Over 100 prominent media outlets have recognized her expertise, and she is the author of Stop Peeing on Your Shoes. Julie believes everyone deserves a career that aligns with their life goals.

Workplace Expert & Career Strategist

Panelists

Ray Attiyah

Ray is a successful entrepreneur, author, and recreational poker player. He helps business leaders transform their people strategies and wrote Run Improve Grow as a roadmap for growth. Ray believes leaders should create an inspiring atmosphere for individuals to reach their potential.

Founder, Run Improve Grow
